

When is a Gift a Risk? How do Gifts and Hospitality affect your risk profile?

During the webinar **'When is a Gift Not a Gift?'**, attendees took part in a brief survey that uncovered some telling trends:

Given today's interconnectivity, the importance of having a robust anti-bribery framework has never been more crucial. There have been many high-profile enforcement cases globally relating to bribery, and sadly, their root causes lie in common failings that could have been avoided.

Priscilla Gaudoin, Ruleguard's Head of Risk and Compliance

11% Unsure – I Mostly confident don't have - we rely on staff visibility being proactive 14% Logged or Lost? The Not confident – it's Confidence Gap in hit & miss Gifts and Hospitality Recordkeeping Very confident – we have strong monitoring and culture

> Firms need to have clear policies which are communicated to everyone, with detailed recordkeeping, effective monitoring (including third party oversight), and a clear audit trail of any investigation and resulting actions.

Priscilla Gaudoin, Ruleguard's Head of Risk and Compliance

Given the regulatory focus on making better use of the data available, firms should be looking at technology to facilitate analysis and pinpoint risks to their businesses.

Declare gifts at the touch of a button

Ensure ethical engagement and regulatory compliance with <u>Ruleguard's</u> <u>Gifts and Hospitality solution</u>. Automate declarations, streamline approvals, and maintain transparency across your organisation. Find out how you can stay aligned with FCA standards and foster a culture of integrity.
